The largest private collection of Latvian art, with a fast-growing additional area of focus – international contemporary art

ZUZEUM

Zuzeum Art Centre

Zuzeum opened in 2020, located in the historical center of Riga. It is a unique addition to the arts infrastructure of the Baltic region.

It was founded by the art collector and philanthropist Jānis Zuzāns.

Zuzeum is where audiences can encounter and engage with contemporary Latvian and international art.

Art Centre is housed in a former cork factory designed and built in 1910.

The programme of Zuzeum is based on The Zuzāns Collection, the largest private collection of Latvian art in the world.
